Dial-A-Ride Has a New Scheduling System!

Dial-A-Ride has a new scheduling system, which will allow you to make all of your appointments with ease! Here is what you will need to know...

When you call to make an appointment, please give office staff the following information:

- *First and Last Name*
- *Destination*
- *Desired appointment date*
- *Desired pick-up time and/or your appointment time*
- *Desired return time (the new system does require a return time)*

Once you make an appointment the new system will:

- Calculate your approximate pick up time
- Send you an automated reminder, the night before your scheduled pick-up

Have questions? Please call the office and one of our staff members will be more than willing to answer your questions. Let us keep you on the move! 626.403.7368
